| 1 | 56 / 91 | SSC - 12.1, F | Providing Project Execution and Engineering Services On Final Closure (F.1 to F.5) - 5% | It is requested not to withhold 5% of the RA bill amount as it affects CMS cash flow. Moreover, the 10% CPBG submitted initially is sufficient as security. The combined 15% withheld amount and 10% TDS leave CMS with limited scope to operate with fixed expenses as per the Tender SOR. | Tender conditions prevail |
| 2 | 63 / 91 | SOW - 5.1 | A. DEVELOPMENT OF STEEL PIPELINE NETWORK Route survey, Designing (Using SYNERGI software), mapping on land base & Engineering for development of Steel Pipeline Network for CGD including underground pipeline, above ground piping, SV Stations, CGS, CP systems, branch / spur pipeline connections to DRS/ MRS/ CNG stations / Consumer terminals including Instrumentation / electrical / Civil works for completion of the Steel pipeline network in all respect, providing recommendations and other associated services | Please define the scope of engineering works for the development of steel pipeline projects. Our understanding is that the simulation of the steel pipeline is to be conducted to calculate the sizes required to meet the desired flow and pressure requirements. The engineering for the development of CP systems, including instrumentation, electrical, and civil works necessary for the completion of the steel pipeline network, is beyond the scope of the Synergi Simulation. | Please refer Scope of work of tender. Tender conditions prevail |
| 3 | 64 / 91 | SOW - 5.5 (b) | At the time of first deployment of any vehicle, the vehicle should not be older than 02 years and mileage should not be more than 40,000 kms. | Kindly increase the mileage limit from 40,000 km to 100,000 km, as commercial vehicles normally run around 50,000 km per year in city areas. This clause is mainly used in cross-country pipeline works, where there are no structured roads. | Tender conditions prevail |
| 4 | 65 / 91 | SOW - 6.0 (c) | As the work at IGL is continuous in nature so deployed manpower is required to work for 6 days in a week except IGL fixed holidays and weekly offs at sites as well as Site/Head office. Further, as per requirement, manpower is expected to work beyond the normal working hours including IGL fixed holidays/weekly offs as per EIC instructions. Sufficient pool of experienced Manpower shall be available with agency providing CMS in order to meet minimum required manpower as specified in tender but the actual deployment will be done as per instruction of EIC. | Kindly confirm: How the working on IGL fixed holidays and weekly offs shall be reimbursed? | IGL Fixed holidays will be paid to resource only after confirmation from respective IGL concerned that the resource was available as per the requirement. If resource will be asked to come on weekly off then payment will be made as per reply in Sr. No. 4 |
| 5 | 66 / 91 | SOW - 6.0 (i) | IGL reserves the right to accept or replace the manpower on prior notice. Bio-Data's of all the personnel deployed for the project shall be forwarded to IGL for approval for timely deployment as per tender | Please confirm the process for manpower approval for deployment. Is it based solely on the review of biodata, or is an interview also required? If an interview is necessary, will it be conducted in person or via video conference? | Both biodata & interview is required. It may be conducted as per the IGL concerned perusal. Tender condition prevail |
| 6 | | Special conditions of contract CONTRACT PERFORMANCE BANK GUARANTEE Clause No. 6.1 | Within twenty-one (21) days of receipt of the Contract/PO, the successful bidder shall furnish to the Purchaser the Contract Performance Bank Guarantee (CPBG) @ 10% of annualized contract/purchase order value (inclusive of all taxes) | For MSME bidder's, IGL should consider some relaxation for submission of CPBG @ 5% of annualized contract/purchase order value. | Tender conditions prevail |
