11	72-73 of 92	Section VI - Schedule of rate BOQ provided is as per the scope of work and contains common GST rates for all items	As per the scope of work, which includes SITC & configuration of the modem/gateway and solar system with IGL SCADA, the BOQ has been structured accordingly. However, considering the different GST rates applicable to solar items, the BOQ needs to be revised as follows: • Solar Panels & Inverters - GST @ 12% • Other Solar Items (such as mounting structures, batteries, cables, etc.) — GST @ 18% • Non-Solar Items (modem, gateway, SCADA-related components) - GST @ 18% To ensure accurate tax calculation and compliance, we request the BOQ to be segregated accordingly.	Tender conditions prevail.
12	56-57 of 92	Section IV/SCC/Clause no.11/Terms of payment - For Supply Portion: The method and conditions of payment to be made to the Supplier under this Contract shall be as follows: (a) 70 % on receipt of material at site and inspection.
