MDPE LAYING AND MRS FABRICATION FOR INDUSTRIAL-COMMERCIAL SEGMENT IN NCT OF DELHI, GAUTAM BUDDH NAGAR & GHAZIABAD

Replies to Bidders' Queries - 1

Sr. No.	Bidder's Query	IGL's Reply
1	In the approved material supplier list, you are requested to add M/S FLANGE N FLANGE for supply of Flange and their fittings as currently also we are procuring from them and they are already approved vendor of IGL for which we are attaching herewith copy of mail received from IGL.	Tender Condition Prevails. A sufficient number of vendors have already been listed in the tender for this material. However, if required during the execution of this tender, approval of new suppliers may be granted by IGL after reviewing their past track record of technical supplies etc .i.e as per IGL procedure.
2	In approved vendor list for supply of pressure gauge you had given H GURU Instruments (South India) Pvt Ltd apart from this you are also requested to add H GURU Instruments India Pvt Ltd from which we are procuring currently and they are approved vendor of IGL.	Tender Condition Prevails. A sufficient number of vendors have already been listed in the tender for this material. However, if required during the execution of this tender, approval of new suppliers may be granted by IGL after reviewing their past track record of technical supplies etc .i.e as per IGL procedure.
3	In approved vendor list for supply of strainer none of the party supply the 1" strainer which IGL can enquire also, keeping in view you are requested to include M/S Hawa engineer for supply of the same and they are already approved vendor for supply of Globe Valves.	Tender Condition Prevails. A sufficient number of vendors have already been listed in the tender for this material. However, if required during the execution of this tender, approval of new suppliers may be granted by IGL after reviewing their past track record of technical supplies etc .i.e as per IGL procedure.
4	We would like to draw your attention in SOR rates Item 160 (4) CS MRS-3" Pipe & Fittings with RPD MeterG-100 & G-160 NCT Rate is 43492.15 and NCR Rate is 42324.78. This rate is unworkable because only material cost for the same is only Rs 37000 (details attached) and after including Installation charges and fabrication cost shall be more than the rate given in SOR.Hence you are requested to re-consider the same before filing of tender.	Tender Condition Prevails. Bidder can refer IFB clause no-8.1 Evaluation & Comparison of Bids: -2) Bidders have been offered Schedule of Rates and they have to quote only discount/mark-up in percentage on the total value of each Segment. The quoted discount/mark-up will be uniformly applicable on all SOR items of respective Segment.
