

REPLIES TO BIDDERS' QUERIES**Tender No. IGL/ET2/CP/CP17357****RATE CONTRACT FOR SUPPLY OF LITHIUM BATTERIES FOR ELECTRONIC VOLUME CONVERTERS (EVCs)**

Sr No	Page No	Clause No	Clause Description	Technical Query	Reply from IGL
1	6	3.1 - Duration of Contract:	The rate contract shall be valid for a period of 02 (Two) Years from the date of first notification of award / LOA.	Lithium Battery prices are governed based on global market for Lithium batteries. We request to consider contract period of 01(One) year from date of LOA.. Kindly accept the same	Tender condition prevails
2	8	7.1 Technical BEC:	The bidder (manufacturer / dealer / distributor/ subsidiary organization as applicable) must have successfully supplied a minimum of 25 units of Batteries (Output: 3V to 5V) with or without any electronic items/Circuit boards to any industry across the globe in past 7 years reckoned from the date	We have been supplying Lithium batteries to CGD customers in India for EVCs... Since EVCs are supported with specific make and capacity of batteries..instead of voltage output we request to consider battery capacity in mAh(17) and model number in evaluation including material Li -SOCI2	Tender condition prevails
3	8	7.3 NOTE: Notes for Technical BEC:	Material supplied by manufacturer through its dealer / distributor / subsidiary will be considered for qualification. However, bidder will submit all the requisite documents like authorization letter from the manufacturer.	These batteries are supplied along with EVCs without any authorization from battery supplier. Even for spares batteries, we are purchasing them through EVC OEM as spares. We understand if bidder is qualified as per BQC point no 7.1 than authorization letter is not required. Kindly confirm	Tender condition prevails

4	60	ANNEXURE– A - Technical Specification Sheet for EVC Batteries	Lithium Batteries - Connector Type: 4-pin Female Connector	We are dealing with different makes of EVCs(Itron, Plum, ELGAS, RMG etc). Each type of EVCs has different type of sockets as listed below:1. Itonr - 2 pin Socket2. ELGAS(ELCORLite, MIniELCOR) - No special socket required. Battery can be directly plugged in3. ELGAS(ELCORplus, ELCOR) - Special socket required for EVC Battereis. (Battery is supplied as Battery pack)4. PLUM : No special socket required. Battery can be directly plugged in Considering above points, we request to provide bifurcation for required quantity of 200 nos of batteries in terms of make of EVC...	Tender condition prevails
5	60	ANNEXURE– A - Technical Specification Sheet for EVC Batteries	Covering : Fireproof Sleeve	For ELGAS (EOCLORlite, MiniELCOR), PLUM and RMG there is no requirement of such fireproof sleeve. We understand for these make EVCs batteries without fireproof sleeves are acceptalbe. Please confirm	Tender condition prevails
